NATIONAL KNIGHTS OF THE KU KLUX KLAN (NKKKK)
REALM OF OHIO

On October 6, 1975, CV T-1, who has furnished reliable information in the past, advised that a meeting of the National Knights of the Ku Klux Klan (NKKKK), Realm of Ohio (see Appendix), took place at the residence of Ohio Grand Dragon MARVIN MILLER, 184 Woodrow Avenue, Columbus, Ohio, on October 4, 1975. The meeting lasted approximately two and one-half hours and was attended by a total of seven individuals, three of whom traveled from the Akron, Ohio, area. The following were noted in attendance: MARVIN MILLER, JOHN SHENADO, EDWARD COLLINS and TONY (Last Name Unknown), a Capital University student, all from the Columbus, Ohio, area, and DAVID PACETTI, RYLAND "ED" HOWE, and JAMES "NIVENS from Northern Ohio. Five other known Klansmen from the Columbus area did not show for the meeting.

Same source also stated that the meeting was run by MARVIN MILLER, who consumed the time with quotes from the Bible. There was no exchange of ideas or any proposals for the Klan organization now under his control. The only concrete accomplishment of this meeting was the designation of official positions for the NKKKK, Realm of Ohio, which are as follows:

Grand Dragon: MARVIN MILLER

NATIONAL KNIGHTS OF THE KU KLUX KLAN (NKKKK)

The National Knights of the Ku Klux Klan, Incorporated (NKKKK), a consolidation of various klan groups, was granted a charter in DeKalb County, Georgia, in November, 1963. The NKKKK was chartered as a patriotic, secret, social and benevolent order; however, in December, 1963, the NKKKK issued a statement of its program which indicated the organization to be anti-Negro, anti-Jewish, anti-Catholic and anti-foreign born. The NKKKK and its affiliate groups purportedly promoted white Christian Americanism and combat communism. An annual NKKKK rally and cross burning has been held on Labor Day Weekend in Stone Mountain, Georgia, on the property of NKKKK Imperial Wizard James R. Venerable.

Some Klan members and leaders have been involved in atrocities including beatings, bombings and murders and have engaged in activities seeking to deny others their constitutional rights.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

Gordon, other busing figures, and possibly persons connected with the news media.

Source of the information, reliability unknown, claims the Klan has five carloads of dynamite and 200 M-16 rifles.

surprise in the amount of robes being ordered, as such orders have been way off, but in her opinion interest in the Klan in this country as well as Canada and England accounts for the large increase in such orders. Source said she made the observation that these orders did not necessarily all come from the United States, but did include numerous Klan organizations in the United States.

Source said that he would contact the MC NEWTONs in and will attempt to pin point where these orders come from.
On September 22, 1975, source of the Columbia Division of the FBI, who has furnished reliable information in the past furnished the following information which might indicate a rising interest in the Ku Klux Klan on a world wide scope.

The owners and operators of the Heritage Garment Works in Columbia, South Carolina, have indicated that they might have to expand their business because they have back orders for 350 - 400 Klan robes of various kinds. This company is well known to Klan organizations in the United States as an exclusive manufacturer of Klan robes. The company is owned and operated by the Mc Newtions, who have been affiliated with various Klan organizations over the years. The Mc Newtions indicated that the orders for Klan robes had been way off, but in the past six months they have been receiving numerous orders for robes from all over the United States, Canada and England from various Klan organizations. They expressed surprise in such a large back order.

On October 8, 1975, a source of the Columbia Division of the FBI who has furnished reliable information in the past advised as follows:

On October 3, 1975, at 9 p.m., a public rally was held a half mile from South Congaree near an old junk yard. The rally was attended by twelve Klansmen and 20 spectators. JOHN HOWARD spoke on the need for participation by the people in local government and the need to get out and vote at all phases of our government. JOHN HOWELL of South Congaree spoke on the evils of communism and that unless the people took an interest in local elections and got out and voted that the country was in danger of succumbing to communism. Also speaking was Mrs. HOWELL. She gave advice on what mothers can do when troubles start in the school such as organizing parent groups, advising school authorities, et cetera.

On October 4, 1975, another public rally was held by the same group in the same location which was attended by 25 Klansmen and about 35 spectators. Mr. and Mrs. HOWELL gave the same speeches as they had the night before. An additional speaker, a Mr. HAROLD KAY, who is the Exalted Cyclops of Lodge 25 in Greenville, South

Carolina, talked about how integration of schools has affected
the quality of education and has brought about poor race rela-
tions.

None of the speakers were inflammatory in their remarks
and they merely addressed themselves to the problems of the times.
There were no incidents on these particular nights.

both rallies would be held, no police protection was observed
on the area on either nights.

For the information of the Bureau, Atlanta, and Cleveland, CARLOS JOE GRADY, Grand Dragon, National Knights of the Ku Klux Klan (NKKKK), was under development as an extremist informant for a short period of time during 1975; however, he was discontinued because he was considered unstable and did not furnish any information concerning klan activities.

CARLOS JOE GRADY is the subject of pending investigation of the Charlotte Division, Bufile 157-29642, CE file 157-8949.

Information set forth in the enclosed LHM indicates that is receiving support from Unit #1 of the NKKKK, Winston-Salem, N. C., as a result of his being charged in connection with the shooting into an occupied dwelling of a Negro family at Winston-Salem, N. C.

Charlotte indices negative concerning .

The Agent contacted by CARLOS JOE GRADY on 10/6/75, is SA PHILLIP E. CROUCH.

Police investigation in this matter indicates that apparently two individuals were involved in the shooting into the Negro residence; however, there is no reason to believe that there may be any Federal violation involved since it is an outgrowth of a racial disorder on a school bus.

On October 6, 1975, CARLOS JOE GRADY, former Grand Dragon of Unit #1, National Knights of the Ku Klux Klan (NKKKK), Winston-Salem, North Carolina, and presently Grand Dragon of the Winston-Salem Unit of the Knights of the Ku Klux Klan (KKKK), telephonically contacted an Agent of the Federal Bureau of Investigation and advised that a klan sympathizer, [redacted] had been charged by local authorities with firing into an occupied dwelling where a black family resided. GRADY stated the klan was attempting to obtain funds for [redacted] in an effort to have him freed because he was not guilty of this act. GRADY said that [redacted] was not a member of the klan at the time when this incident occurred on [redacted] but he did not deny that [redacted] might become a member of GRADY's unit.

A characterization of the NKKKK is attached as an appendix to this memorandum.

The Knights of the Ku Klux Klan is a recently formed off-shoot of the National Knights of the Ku Klux Klan as a result of dissension within the ranks of that organization. Its leader has been identified as DALE REUSCH from Ohio. Statements made by REUSCH and other leaders in the Knights of the Ku Klux Klan indicate that this organization is still anti-Semitic and against the integration of the races.

Sources whose identities are concealed herein have furnished reliable information in the past except where otherwise noted.
On October 7, 1975, Sergeant DAVE WILLARD, Internal Affairs Unit, Winston-Salem Police Department, Winston-Salem, North Carolina, advised that [ ] was arrested on [ ] for shooting into the occupied dwelling of the [ ] family at [ ] Winston-Salem, North Carolina. [ ] was identified by [ ] age 17, as the individual shooting into this residence. The [ ] family is black and the neighborhood is integrated. There was no information that [ ] was a member of the Ku Klux Klan but he had friends belonging to the klan.

On October 15, 1975, Sergeant WILLARD furnished the following information: The shooting into the [ ] residence by [ ] was apparently an outgrowth of a fight which took place on a school bus on [ ] involving a black student and a white student from Carver High School, Winston-Salem, North Carolina. The fight was stopped, however, another 17-year old white male, [ ] North Carolina, assaulted [ ] a 15-year old female, [ ] was arrested on [ ] by local police and later was found guilty of assaulting [ ] and received a 30-day jail sentence which was suspended for two years and fined $50 and court costs. There were rumors as a result of this fight on the school bus that the Ku Klux Klan and the Black Panthers were going to get involved in this racial dispute, however, this did not occur.

A characterization of the Black Panther Party is attached as an appendix to this memorandum.

Sergeant WILLARD further advised that during the evening hours of [ ] a shooting occurred which involved shooting into the residence of [ ] age 17, a student at Carver High School. In addition, a 1965 Dodge Dart car belonging to the [ ] family was also damaged. Police investigating this shooting found both 12 gauge and 16 gauge spent shells at the front of the residence. [ ] age [ ] home address [ ] Winston-Salem, North Carolina, was identified by [ ] as the perpetrator and [ ] was arrested and charged on [ ] with malicious damage to property as well as discharging firearms.
On October 7, 1975, [redacted] was found guilty of malicious damage and sentenced to six months in jail and fined $500. He has appealed this conviction. He was also bound over to Superior Court for trial on the felony charge of shooting into an occupied dwelling. It is believed the shooting into the home was a direct result of the school bus fight on [redacted] residence.

Sergeant WILLARD noted that during the trial of [redacted] for malicious damage on October 7, 1975, VIRGINIA DOBY testified that she was with [redacted] during the time the shooting occurred and that she and [redacted] were at a drive-in movie. VIRGINIA DOBY has identified herself at a public klan rally on September 13, 1975, as the Queen Kleagle of the Knights of the Ku Klux Klan. During the course of the trial, [redacted] denied being a member of the klan; however, he did not take the witness stand. His trial on the felony charge has not been scheduled.

Sergeant WILLARD also advised that following the shooting into the [redacted] residence, a bulletin had been issued by the Knights of the Ku Klux Klan requesting support for the defense of [redacted] and some of these bulletins were circulated in the Mineral Springs area of Winston-Salem. He stated there have been no further incidents involving blacks and whites since [redacted] were convicted.

On October 15, 1975, CE T-1 advised that on September 30, 1975, during a meeting of the Winston-Salem Unit of the Knights of the Ku Klux Klan, the name of [redacted] was raised and it was recommended that financial support be given for [redacted] by the klan in connection with his recent arrest for shooting into a Negro residence. There was no indication that [redacted] was a member of this unit and this support was being given to him since it was believed his arrest was unjustified. The klan wanted to show publicly its support for [redacted].

On October 15, 1975, Winston-Salem Police Department, advised that her records show [redacted] is a white male, born [redacted] Social Security Number [redacted]. He has a lengthy record dating back to March 29, 1969, mostly for traffic charges, non-support, driving while intoxicated, two charges of burglary, and two charges of assault with a deadly weapon.
BLACK PANTHER PARTY
FORMERLY KNOWN AS THE BLACK PANTHER PARTY FOR SELF-DEFENSE

The Black Panther Party (BPP), organized in December, 1966, at Oakland, California, by Huey P. Newton and Bobby George Seale, has the publicly stated purpose of organizing black people to take control of the life, politics, and destiny of the black community. The Party, operating the Black Panther Intercommunal News Service, publishes a newspaper called "The Black Panther," which at one time openly advocated the use of guns and guerrilla tactics in a revolutionary program to end the oppression of the black people but since early 1971 has spoken for a survival program pending revolution.

While openly advocating direct overthrow of the U. S. Government by force and violence until 1971, leaders have since avoided extreme statements in favor of calling for action within the established order. Newton, in an interview appearing in the May, 1973, issue of "Playboy" magazine, stated the Panthers' chief ambition is to change the American Government by any means necessary but that ultimately such change will be through armed violence.

BPP national headquarters, also known as Black Panther Intercommunal Headquarters, as of May, 1974, continued to be located in Oakland, California, with branches throughout the country.

Charlotte, North Carolina

Enclosure(s)
On September 14, 1975, CE T-1 advised that on September 13, 1975, the National Knights of the Ku Klux Klan (NKKKK), held a rally at Belew Creek, North Carolina, with approximately 200 individuals in attendance. The main speakers were: JOE GRADY, Grand Dragon from North Carolina; JOHN HOWARD, Grand Dragon from South Carolina; EARL PEARSON, a Fundamentalist Preacher, Greenville, South Carolina; and Mrs. VIRGINIA DOBY, who identified herself as Queen Kleagle from North Carolina. GRADY spoke against North Carolina Governor JAMES HOLSHOUSER’s decision to give the Dungeon Club in Winston-Salem, North Carolina, a $25,000 grant.

The Dungeon Club is frequented by predominantly black patrons and was the scene of a racial disturbance in Winston-Salem, North Carolina, on August 13, 1975. HOWARD spoke against bussing and the Government's Give-Away Program, while PEARSON spoke about salvation and how the morals of America have decayed. Mrs. VIRGINIA DOBY spoke shortly against bussing of small school children and the problems of bussing. There were several other speakers, unidentified, who denounced the Supreme Court, the Welfare Programs, the outcome of the JOANN LITTLE trial, as well as the bussing issue. All those in attendance were provided application forms for joining the Klan. The end of the rally was highlighted with the burning of a cross and at no time during the rally was there any outside agitation and everything was very peaceful.

On September 14, 1975, there appeared in the Winston-Salem Journal, a local newspaper published in Winston-Salem, North Carolina, an article on Page 4 B, written by Reporter HOWARD CARR, entitled "Klansmen Make Speeches,

THIS DOCUMENT CONTAINS NEITHER RECOMMENDATIONS NOR CONCLUSIONS OF THE FBI. IT IS THE PROPERTY OF THE FBI AND IS LOANED TO YOUR AGENCY; IT AND ITS CONTENTS ARE NOT TO BE DISTRIBUTED OUTSIDE YOUR AGENCY.
Burn Traditional Cross." This article described the Klan rally which took place at Belew Creek, North Carolina, on September 13, 1975. There was a photograph of JOE GRADY dressed in Klan robes holding an icepick in his hand. The article also indicated that approximately 200 people attended the rally and listened to JOE GRADY and others criticize the Supreme Court, busing, and other issues of the day. Approximately twenty-five people wore the traditional Klan robes and Klan applications were passed out during the rally. Two speakers at the rally were identified as EARL PEARSON, a fundamentalist Preacher from Greenville, South Carolina, and Mrs. VIRGINIA DOBY, from North Carolina. After the speeches and raffling of several prizes, the robed Klansmen marched to the cross.

Information developed determined that the National Revolutionary Army is not a structured organization in Reading and its only membership in Reading consisted of [redacted] and Maier. The group in Reading has been described as being interested mainly in "booze parties" and committing malicious mischief. In July 1975, [redacted] and Maier reportedly had a "falling out" and Ressler has not associated with Maier or the National Revolutionary Army since that time.
The United Klans of America, Inc., was chartered in 1961 in Georgia. Its purported aims and purposes are the promotion of Americanism, white supremacy, and segregation of the races. It is the dominant Klan group in the South with headquarters at Tuscaloosa, Alabama, and is currently active in several states.

   U. S. Secret Service, Baltimore
CARL SNOWDEN, on his weekly radio program "Community Viewpoint," interviewed LAYTON BRAUN, Sr., identified as a spokesman and public relations representative of the National Klans of America. The program was prerecorded and broadcast over radio station WANN, Annapolis, Maryland, on September 29, 1975, and October 6, 1975. At the time the broadcast was taped, BRAUN was accompanied by JACK MOORE identified only as klan security. MOORE did not participate in the question and answer program.

LAYTON BRAUN has been identified by a confidential source, who has furnished reliable information in the past, as a regular speaker at rallies of the Maryland Knights of the Ku Klux Klan (KKK), who at a recent rally was dressed in a red klan robe of a klan officer.

MARYLAND KNIGHTS OF THE KU KLUX KLAN

The Maryland Knights of the Ku Klux Klan was formed in early 1970 as a result of a leadership dispute, which culminated in the resignation of ANTHONY LA RICCI,
Imperial Representative of the United Klans of America, Incorporated (UKA) of Maryland. The UKA was chartered in Georgia in 1961. It is under the leadership of Imperial Wizard ROBERT SHELTON, and is the dominant Klan group in the United States, with headquarters at Tuscaloosa, Alabama. In April, 1970, the Maryland Knights affiliated, in name only, with the National Knights of the Ku Klux Klan, Incorporated. The National Knights of the Ku Klux Klan was chartered in Georgia in 1963, and is under the leadership of Imperial Wizard JAMES VENABLE, with headquarters at Tucker, Georgia. As of May, 1975, the Maryland Knights continued as an active organization. The objectives of the Maryland Knights include the preservation of white supremacy and, as stated by the Imperial Wizard of the National Knights, the education of the public to communist and subversive elements, such as International Zionism. The aims and purposes of the Maryland Knights are the
opposition to forced school bussing and a desire to build a state-wide membership which would be a political factor in the State of Maryland.

NATIONAL KNIGHTS OF THE KU KLUX (NKKKK)

The National Knights of the Ku Klux Klan, Incorporated, (NKKKK), a consolidation of various klan groups, was granted a charter in De Kalb County, Georgia, in November, 1963. The NKKKK was chartered as a patriotic, secret, social, and benevolent order; however, in December, 1963, the NKKKK issued a statement of its program which indicated the organization to be anti-Negro, anti-Jewish, anti-Catholic, and anti-foreign born. The NKKKK and its affiliate groups purportedly promote white Christian Americanism and combat communism. An annual NKKKK rally and cross burning has been held on Labor Day Weekend in Stone Mountain, Georgia, on the property of NKKKK Imperial Wizard JAMES E. VENABLE.
Some Klan members and leaders have been involved in atrocities including beatings, bombings, and murders, and have engaged in activities seeking to deny others their constitutional rights.

In response to questions concerning the origin, aims and policies of the KKK, BRAUN talked of the formation of the KKK in the Reconstruction Era when the carpetbaggers were sent to the South to do dastardly things to the white people.

BRAUN referred to the KKK as a secret organization with some members underground in the invisible empire because they do not want to jeopardize their jobs or their families. He described the KKK as a white Christian organization of super patriots dedicated to do everything to prevent revolution and to meet out justice to those who advocate revolution. In answer to a question whether the klan had ever engaged in terroristic actions, BRAUN admitted that the KKK could have committed acts of terrorism against blacks a long way back; however, he claimed that some bombings were actually carried out by some of the members of the FBI and blamed on the klan. BRAUN stated that the KKK believes in equality of the races but also in the separation of the races.

BRAUN commented that the KKK would not accept blacks as members and that blacks were genetically inferior to whites. He said the klan would take Jews only if they accepted the Christian belief in JESUS CHRIST and the Catholics only if they rejected the laws of the Catholic Church.
In commenting on the threat of communists, BRAUN made reference to an international conspiracy called, "The Illuminati", whose goal is a one world government and he referred to HEINRICH BORS (phonetic), head of the United States State Department, as a communist.

BRAUN declined to give any membership figures for the Maryland Knights and would only state that the membership in Annapolis alone was in the hundreds. In answer to a question as to what the klan with all its members was doing, BRAUN said that when an emergency arises, it is incumbent on the klan to become active and a few members will come forward publicly; however, he said the Federal Government has prevented the klan from doing anything. He stated that the KKK is definitely opposed to bussing and integration.

The only references BRAUN made to the Maryland Knights, KKK, under TONY LA RICCI were to refer to LA RICCI as a former Catholic.

The Washington Post newspaper, Sunday, October 12, 1975, issue carried an article concerning the National Knights and the Maryland Knights of the KKK which is set out below:
The grand dragon of the Maryland Knights of the Ku Klux Klan yesterday called the Klan's imperial wizard "senile" after the wizard banished him and the grand dragons of four other states from the group.

The wizard, James R. Venable, of Atlanta, said he imposed the banishment because the five men had been "conspiring against me" and taking in members "who are not morally fit.

The Maryland dragon, Tony LaRicci, 47, a Baltimore factory worker, has headed the state's Klan organization for six years. Venable, a 71-year-old lawyer, has headed the National Knights of the Klan for 13 years.

Venable also owns the property in Stone Mountain, Ga., where the Klan holds its annual national rallies with large flaming crosses, and has been a klansman since 1923.

He said he issued his banishment order, expelling LaRicci and Klan leaders in four other states North Carolina, South Carolina, Ohio, and New Jersey — because the five had been "unfaithful to their oath in conspiring to elect a new imperial wizard...and getting in undesirable members.

LaRicci said Venable is "getting too old and senile to run the organization. He should retire.

LaRicci added that the banishment order is not legal under the Klan constitution because Venable has not See KLAN, A18,Col.6
Md. Klan Dragon, 4 Others Ousted in Fight Over Fitness

KLAN, FROM A -
called a meeting of the imperial board.

"He doesn't know any more about the constitution than a goat does," Venable responded in an interview. "I appointed them (the grand dragons) and I can banish them. I can expel any Klan member for any reason."

Venable said the five dragons along with some other Klan members met secretly in West Virginia last month and elected Dale Reusch, of Lodi, Ohio, as imperial wizard to replace him.

"But I had them under strict surveillance," Venable said, "I had two people there, and I have everything on tape."

LaRicci confirmed that he was at the West Virginia meeting, but said Reusch was elected only as a "temporary" wizard while a new federation of state Klan groups is being formed.

He said his Maryland group already has pulled out of Venable's group, the National Knights of the Ku Klux Klan, which is one of the two main Klan organizations in the country. The other is the United Klans of America, headed by Robert Shelton, of Tuscaloosa, Ala.

An FBI spokesman said Klan activity has been at a low level for several years.

The Anti-Defamation League of B'nai Brith, which monitors the Klan, estimates that the total membership of all Klan groups now is less than 7,000 and generally stagnant.

Irwin Smull, a research officer for the ADL, said the most recent period of growth for the Klans was in the early 1920's, but that they declined sharply about 10 years ago, and have remained small.

Smull said Venable's organization is "not significant."

LaRicci said he and some other Klan leaders have been trying to get Venable to resign for several years.

"Of course, you don't come out and hurt the imperial wizard and tell him he's too old directly," LaRicci said. "You have to go about it in a round-about way. But he won't listen. Jimmy Venable is a great klansman, but he's just too old and senile for the job."

"I'm not senile," Venable retorted. "My mind is as brilliant as it was 40 years ago."

He added that the problem with LaRicci and the other Klan leaders he had banished is that "they all want to be chief and no Indians."

"None of them have much education," he continued. "None of them speak well to the public. None of them speak good English. I hate to say it. They are a reflection on me. But I appointed them because they seemed like dedicated men."

Venable said the ousted dragons have been accepting as Klan members "anything that has isis, including men who are not morally fit."

Even so, he said, the Maryland Klan is "pitifully small." A well-advertised rally in Carroll County last spring attracted only 40 persons.

LaRicci said the organization is much larger, but he wouldn't say how large. He said it has about 30 local dens, with at least 25 men in each, including units in Laurel and Upper Marlboro, as well as 12 dens in Baltimore city.

He said the largest den is in Dundalk, a blue-collar town in Baltimore County.

He said school busing has been bringing in more members — Catholic as well as Protestants. "I have just as many Catholics now as Protestants," said LaRicci, who himself is an ex-Catholic. "We'd even taken a reform Jew in this organization, but under no circumstances will we take a black."

Venable said the Klan now is "the only group fighting to save America from socialism and from being taken over by the blacks."

"We'll never have any peace in this country," he continued, "unless you let the Jews go back to Jerusalem and the niggers back to Africa, and I hold no ill will toward any race, color, or creed."

THERE IS NO EVIDENCE OF KLAN MEMBERS BEING RESPONSIBLE.

MR. PATTERSON STATED HE WAS AWARE OF THE IDENTITIES OF
CORRECTIONAL PERSONNEL WHO ARE KKK MEMBERS, BUT TO HIS KNOW-
LEDGE, THEY HAVE NOT BEEN ACTIVELY ENGAGED IN KLAN ACTIVITY

NATIONAL KNIGHTS OF THE KU KLUX KLAN (NKKKK)

The National Knights of the Ku Klux Klan, Incorporated, (NKKKK), a consolidation of various klan groups, was granted a charter in De Kalb County, Georgia, in November, 1963. The NKKKK was chartered as a patriotic, secret, social, and benevolent order; however, in December, 1963, the NKKKK issued a statement of its program which indicated the organization to be anti-Negro, anti-Jewish, anti-Catholic, and anti-foreign born. The NKKKK and its affiliate groups purportedly promote white Christian Americanism and combat communism. An annual NKKKK rally and cross burning has been held on Labor Day Weekend in Stone Mountain, Georgia, on the property of NKKKK Imperial Wizard James R. Venable.

Some klan members and leaders have been involved in atrocities including beatings, bombings, and murders, and have engaged in activities seeking to deny others their constitutional rights.

Referenced communication requested offices receiving it to furnish FBI Headquarters and offices of origin their comments, analysis, and recommendation concerning klan groups within their respective divisions.

A review of the Charlotte file reflects that the only active klavern of the NKKKK in North Carolina, headed by a Grand Dragon, was located at Winston-Salem, N. C. On 9/9/75, the Grand Dragon of the NKKKK in Winston-Salem announced to the klavern that the klavern would be henceforth a klavern of the Knights of the Ku Klux Klan (KKKK), and the Grand Dragon assumed the position of Grand Dragon of the KKKK.

In view of the fact that the NKKKK no longer has a klavern unit in the State of North Carolina and the former klavern unit is now defunct, having been absorbed by the KKKK, it is being recommended that the NKKKK case file in the Charlotte Division be closed and no further investigation be conducted concerning it.

INVESTIGATIVE SUMMARY

UNITED STATES DEPARTMENT OF JUSTICE
FEDERAL BUREAU OF INVESTIGATION

Knoxville, Tennessee
December 10, 1975

INVESTIGATIVE SUMMARY

NATIONAL KNIGHTS OF THE
KU KLUX KLAN (NKKKK)

This investigation is based upon information that
the organization's activities may be in violation of Title
18, U. S. Code, Section 241 (conspiracy against rights of
citizens), Section 245 (Federally protected activities),
Civil Rights Act of 1968, or other civil rights statutes.
The organization has engaged in activities to deny certain
classes of citizens their rights or privileges secured by
the Constitution or the laws of the United States.

In January, 1975, JERALD ROBERT SMITH, described as
a white male, date of birth June 5, 1943, place of birth
Daisy, Tennessee, 6'3", 230 pounds, was organizing a Klavern
of the United Klans of America, Knights of the Ku Klux Klan
(UKA) (see appendix), in Chattanooga, Tennessee.

JERALD SMITH plus unknown members of the newly formed
Klavern of the UKA in Chattanooga attended regularly scheduled
meetings of the UKA, Fort Payne, Alabama, Klavern because of the
close association of Fort Payne, Alabama, leader GEORGE KILLIAN
and Chattanooga leader JERALD SMITH.

In June of 1975 KILLIAN with cooperation of JERALD
SMITH and other UKA Alabama Klavern leaders withdrew from
the UKA Alabama Realm and associated with the National Knights
of the Ku Klux Klan (NKKKK) (see appendix). The Chattanooga

National Knights of the Ku Klux Klan (NKKKK)

Klavern was registered by the UKA when formed under the Alabama Realm, and in June, 1975, John Adams, Grand Dragon, UKA, Alabama Realm, stated that the Chattanooga Klavern was no longer affiliated with the Alabama Realm and should affiliate itself with the Tennessee Realm.

The split by certain Klaverns of the UKA occurred because of the personal ambitions of George Killian and Jerald Smith for higher office plus the support neither Smith nor Killian received from Robert Shelton, Imperial Wizard of the UKA, to replace the Grand Dragon of Alabama, John Adams. Killian was subsequently made Grand Dragon of the Alabama NKKKK, and Smith was reported to hold the similar position in the State of Tennessee for the NKKKK.

On September 7, 1975, members of the Chattanooga Klavern of the NKKKK, along with members from the Fort Payne Klavern of the NKKKK, attended a naturalization ceremony at Monteagle, Tennessee, to bring in new members for the Chattanooga Klavern and to attempt to organize a Klavern in Tracy City, Tennessee. After the meeting four members of the Chattanooga Klavern, including Jerald Smith, went to the residence of Charles Nolan, Tracy City, Tennessee, and demanded that the Nolans vacate Grundy County, Tennessee, before September 21, 1975, because the four represented the Ku Klux Klan and had heard that the Nolans, who are white, had adopted two black babies.

The September 7, 1975, meeting is the last formal meeting held by members of the NKKKK in the Knoxville Division, and the September 20, 1975, rally held by the NKKKK, Fort Payne, Alabama, Klavern in Huntsville, Alabama, was the last known activity of the NKKKK, Knoxville Division, members, with the exception of Jerald Smith.

The disbanding of the Chattanooga Klavern was a
result of the members' lack of enthusiasm in the beliefs of the NKKKK, the lack of support from the NKKKK National Headquarters, and the lack of leadership of JERALD SMITH. The FBI investigation into the visit of Klan members to the residence of CHARLES NOLAN also assisted in discouraging members from participating in the operation or membership of the Klavern.

As of December 9, 1975, there are no active Klaverns of the NKKKK in the Knoxville Division, and no information has been received indicating the possible reorganization of NKKKK Klaverns by JERALD SMITH.
UNITED KLANS OF AMERICA, INC.
KNIGHTS OF THE KU KLUX KLAN (UKA)

The United Klans of America, Inc., Knights of the Ku Klux Klan (UKA) was chartered in 1961 at Atlanta, Georgia. It was formed as a result of splits in and consolidation of other Klan groups. In July, 1961, the United Klans, Knights of the Ku Klux Klan of America, Incorporated, merged with the Alabama Knights, Knights of the Ku Klux Klan. The merged organization was headed by Robert Shelton. In October, 1961, a majority of the Ku Klux Klan were merged with the UKA and Robert Shelton continued as the leader.

The UKA is the dominant Klan group in the United States with headquarters located at Tuscaloosa, Alabama, and Klaverns in various states. Robert Shelton of Tuscaloosa, Alabama, continues to be the Imperial Wizard of the organization. The stated aims and purposes of the UKA are the promotion of Americanism, white supremacy and segregation of the races. Like other Klan organizations, it is anti-Negro, anti-Semitic, and anti-foreign born.

Klan members and leaders have been involved in atrocities including beatings, bombings, and murders, and have engaged in activities seeking to deny others their constitutional rights.

       EXTREMIST MATTER

Re Bureau letter to Pittsburgh dated 9/4/75.

The Pittsburgh Division is presently conducting
an investigation concerning the activities of WILLIAM B. MILLER, II,
aka "Bull", "Bill", "Bill", (File #157-2436). An LTHM is being
prepared setting forth details of his activities.

Investigation indicates that MILLER was the Kleagle
of the Cabell County, W. Va. unit and had several dozen
followers. MILLER regularly attended Klan rallies of the
West Virginia State organization of NKKKK in the Charleston,
W. Va., area. Coverage of MILLER's activities are maintained
through who is in an excellent position to do so.

Based upon information received to date, the Cabell County
unit appears to be a branch of the state organization of
NKKKK with most of the Klan activities being conducted in
the Charleston, W. Va., (Kanawha County which adjoins Cabell
County) area.

Through contacts with sources and local authorities,
no information has come to the attention of the Pittsburgh

"Spanish Dragons."

Similarly, contact with logical sources and
local police authorities does not indicate the existence of
Black Panther Party members in the Huntington, W. Va., area.

Re Bureau airtel dated 6/16/75.

Referenced communication requested offices to furnish FBI Headquarters and offices of origin comments concerning advisability of continuing investigation of klan groups within their respective divisions.

The Knights of the Ku Klux Klan (KKKK) has one klavern unit in North Carolina located at Winston-Salem, Forsyth County, N. C. The unit is headed by a Grand Dragon, who has appointed a Titan and a Queen Kleagle. There are no other officers. Meetings are held weekly or more often at a store building in Tobaccoville, Forsyth County, N. C.

The Grand Dragon announced the Winston-Salem Klavern the existence of the klavern as a unit of the KKKK on 9/9/75, at which time the Grand Dragon announced the name of the new Imperial Wizard of the KKKK. Prior to that time, the KKKK klavern had been the sole klavern of the National Knights of the Ku Klux Klan (NKKKK) in North Carolina, which organization had also been headed by the same Grand Dragon. Prior to the unit being an NKKKK chapter before November, 1974, the unit was known as Winston-Salem Klavern Number 88 of the United Klans of America, Inc., Knights of the Ku Klux Klan (UKA). The members of the present KKKK chapter are almost altogether the same members of the National Knights of the Ku Klux Klan in Winston-Salem, N. C. Since having

been organized as a chapter of the KKKK, the Winston-Salem unit has had one rally at Beliew Creek, Forsyth County, N.C., which was considered successful by the Grand Dragon. On Saturday, 11/15/75, the Winston-Salem Unit was host to a National Klonvocation of the KKKK in which the Imperial Wizard was present.

In view of the fact that the KKKK is a relatively new klan organization in North Carolina, little is known of its reason for breaking away from the NKKKK, or of its aims and purposes, recommendation is made that it continue to be covered as it has in the past to determine its mission as a klan group and to follow and report activities of its officers.

On November 10, 1975, who has furnished reliable information in the past, advised that the scheduled meeting of the Ohio NKKKK at the residence of Grand Dragon MARVIN L. MILLER on November 9, 1975, turned out to be only an informal gathering of several members for a few hours. No definite policies or future events involving the Ohio NKKKK were discussed.

Source stated that one item of discussion was that there will be an NKKKK "Christmas Party" held at the Imperial Palace at Stone Mountain, Georgia, on December 13, 1975. This event will be the equivalent of a semi-annual national meeting of the NKKKK. Source stated that it is not known at this time who from the Ohio NKKKK will be attending this event.

Source advised that MARVIN L. MILLER commented that 85 NKKKK applications are being processed in Alabama as a result of his great appearance at a rally held there in September, 1975.

No LHM being submitted since the above information is not considered worthy of dissemination. Cleveland will continue to follow and report the activities of the Ohio NKKKK.

KNIGHTS OF THE KU KLUX KLAN (KKKK)
EXTREMIST MATTER - KKKK

On November 17, 1975, CE T-1 advised that a meeting of the Knights of the Ku Klux Klan (KKKK) was held on November 15, 1975, at the Fireside Fish Camp, Highway 150 in Davidson County, North Carolina, approximately eight to ten miles from Winston-Salem, North Carolina. Approximately fifty individuals attended this meeting, which was in the form of a dinner, after which DALE REUSCH, Imperial Wizard of the Knights of the Ku Klux Klan (KKKK), addressed those in attendance, indicating he was running for President in 1976, but that he expected President FORD to declare marshal law and abolish elections in 1976. REUSCH also indicated that he was for preserving the white race. There is only one person in seven that is white. REUSCH compared himself to GEORGE WALLACE, Governor of Alabama, but he criticized WALLACE for not being strong enough in certain areas.

CE T-1 further advised that three Klan members came from West Virginia to attend the meeting; there were two members of the Klan from Missouri, as well as REUSCH and his son, name unknown, from Ohio. There were no members from South Carolina, Kentucky, Virginia or Maryland present at the meeting. Most of those in attendance were either Klan members or sympathizers from the Winston-Salem, North Carolina, area.

Sources whose identities are concealed herein have furnished reliable information in the past except where otherwise noted.

THIS DOCUMENT CONTAINS NEITHER RECOMMENDATIONS NOR CONCLUSIONS OF THE FBI. IT IS THE PROPERTY OF THE FBI AND IS LOANED TO YOUR AGENCY; IT AND ITS CONTENTS ARE NOT TO BE DISTRIBUTED OUTSIDE YOUR AGENCY.
Following REUSCH's speech, approximately $60 was taken up by those in attendance, and given to REUSCH for his speech.

On November 17, 1975, CE T-2 advised WILLIAM B. MILLER, II; BOB SINGER; and TONY CLARK of the West Virginia Knights of the Ku Klux Klan, traveled together in CLARK's vehicle, to Winston-Salem, North Carolina, to attend a meeting of the KKKK. DALE REUSCH, Imperial Wizard of the KKKK from Lodi, Ohio, and a Charleston, West Virginia, KKKK member, a white male, years of age, inches tall, weighing pounds, traveled to Winston-Salem, North Carolina, in Chrysler vehicle.

CE T-2 advised, upon these individuals' arrival in Winston-Salem, North Carolina, they telephonically contacted JOE GRADY, Grand Dragon of the KKKK in North Carolina. After contacting GRADY, GEORGE H. DOBY, Titan of the KKKK in Winston-Salem, North Carolina, accompanied by an unidentified individual, met them and took them to DOBY's residence at 4210 Mineral Springs, Winston-Salem, North Carolina.

CE T-2 advised that at 3:00 PM on November 15, 1975, DALE REUSCH held a press conference at DOBY's residence, 4210 Mineral Springs Avenue, Winston-Salem, North Carolina, during which interview, there were approximately twenty Klansmen present, most of them armed with pistols. REUSCH stated in the press conference that there were eleven states represented at the meeting in Winston-Salem, but in reality, there were only representations from North Carolina, West Virginia, Ohio, and Missouri. REUSCH stated that he was stressing openness in his Klan activities since he is separated from the National Knights of the Ku Klux Klan (NKKK), led by JAMES VENABLE from Georgia. REUSCH indicated he was opposed to violence, but that the Klan would defend themselves and that the Klan was against drug abuse, but was for integrity of the races. REUSCH admitted he was a racist, and stated he was not ashamed of this because he is for preservation of the white race. He also announced that he planned to run for the Presidency in 1976, and he criticized GEORGE WALLACE stating that WALLACE was not firm enough on some issues. REUSCH stated he is afraid that President FORD would declare marshal law in 1976 and he would not be able to run for the presidency.

A characterization of the NKKK is attached as an appendix to this memorandum.
CE T-2 advised that on November 15, 1975, (First Name Unknown) McCORKLE and (First Name Unknown) BENTLEY arrived at the airport in Winston-Salem, North Carolina. McCORKLE is the Grand Dragon of the KKKK in Missouri, and BENTLEY is the top assistant, exact title not specified. BENTLEY is described as a white male, 36 years of age, brown hair and mustache, 6 feet to 6 feet 1 inch tall, weighing 180 pounds, and reportedly served ten years in the Missouri State Penitentiary for murder. McCORKLE was described as a white male, 58 years of age, 5 feet 8 inches tall, weighing 145 pounds, graying hair. McCORKLE and BENTLEY currently reside in Jefferson County, Missouri, and are also active in Klan activities in Oklahoma and Kansas.

CE T-2 stated that on the evening of November 15, 1975, a meeting was held at a restaurant near Winston-Salem, North Carolina, and that GEORGE H. DOBY had made reservations for the restaurant indicating a group of Christian people would be using the restaurant on November 15, 1975, for dinner. The dinner was attended by approximately sixty adults, with one of these not being a member of the KKKK. Following supper, REUSCH made a speech which lasted approximately forty-five minutes, and in the speech he reiterated most of what he had stated at the press conference on the afternoon of November 15, 1975. Following REUSCH's speech, a collection was taken by those in attendance at the dinner, and approximately $70 was collected and given to him. The dinner started at 7:00 PM and was over at 9:30 PM. Following the dinner, the group from West Virginia went back to the DOBY residence at 4210 Mineral Springs Avenue, until 12:15 AM, at which time they went to their motel rooms at the Ramada Inn on Highway 52 North, near Winston-Salem Airport.

CE T-2 advised on November 17, 1975, that REUSCH, SINGER, MILLER, CLARK, left Winston-Salem, North Carolina, on November 16, 1975, driving back to Charleston, West Virginia. REUSCH returned to Lodi, Ohio, on November 17, 1975.

On November 16, 1975, The Winston-Salem Journal, a local daily newspaper published at Winston-Salem, North Carolina, had an article by Staff Reporter DAVID BAILEY entitled, "Klan's Imperial Wizard Says Group Is Opposed to Violence," which was located on Page 11A, and also had a photograph of DALE REUSCH with his Klan robe. REUSCH indicated in an interview conducted by BAILEY that he hoped to run for President in 1976 and that a meeting was being held on November 15, 1975, with Klan.
officials from eleven different states. REUSCH indicated that the new Klan's main political ambition is to motivate Klansmen to run for public office, securing more power, and they were for strong drug control legislation. REUSCH indicated he is for the genetic integrity of the races and acknowledged that he was a racist, but that he was for the self-preservation of his race. He also indicated there should be reforms in welfare. He indicated that his platform was different from GEORGE WALLACE in that WALLACE was not firm in certain areas and that WALLACE lacked the fire and aggressiveness he used to have. REUSCH stated he was running for President, but he was afraid that there would not be any Presidential Election in 1976 because the President would declare marshal law, and there would not be an election.

The article identified REUSCH as an Ohio Automobile Engine Tester for Ford Motor Company and a member of the United Automobile Workers. An unidentified Klansman was described as wearing a neat little holster with a revolver strapped to it, who sat to REUSCH's right during the interview, and REUSCH explained that a pump shotgun and ammunition cases on the kitchen counter were necessary for security measures. REUSCH indicated there had been three attempts on his life. Despite the fact that pistols, rifles, shotguns, and plenty of ammunition were in view, REUSCH continued to stress that the new Klan was opposed to violence.
The National Knights of the Ku Klux Klan, Incorporated (NKKKK), a consolidation of various klan groups, was granted a charter in DeKalb County, Georgia, in November, 1963. The NKKKK was chartered as a patriotic, secret, social, and benevolent order, however, in December, 1963, the NKKKK issued a statement of its program which indicated the organization to be anti-Negro, anti-Jewish, anti-Catholic, and anti-foreign born. The NKKKK and its affiliate groups purportedly promote white Christian Americanism and combat communism. An annual NKKKK rally and cross burning has been held on Labor Day Weekend in Stone Mountain, Georgia, on the property of NKKKK Imperial Wizard James R. Venable.

Some klan members and leaders have been involved in atrocities including beatings, bombings, and murders, and have engaged in activities seeking to deny others their Constitutional Rights.

The NKKKK in S.C., is in the process of changing leadership. JOHN HOWARD, Grand Dragon of the NKKKK in S.C., has affiliated himself and some followers with DALE RICHARD REUSCH of Ohio.

CLYDE EDWIN JARRETT, 112 Hidden Hill Road, Spartanburg, S.C., is employed as an electrician, dba Ed Jarrett Electric Company. JARRETT was the State Treasurer, spoke at public rallies, and an active member of the Invisible Empire KKKK. At a meeting of the Spartanburg Klavern of the IE, held on 5/1/75, JARRETT stated that at every Klan rally where trouble is possible, he would have available to Klansmen, automatic weapons in a van type of trailer on the rally grounds.

On 11/10/75, at a meeting of Greenville Klavern of the IE, JARRETT argued with ROBERT E. SCOGGIN, Grand Dragon of the IE and JARRETT quit the IE.

It was reported that JARRETT then traveled to Stone Mountain, Georgia, and received clearance from JAMES VENABLE, Imperial Wizard, National Knights, to become Grand Dragon of the National Knights in S.C.

On 11/23/75, JARRETT was elected Grand Dragon of the NKKKK, S.C. Realm. He stated that 117 members of the IE had agreed to join the National Knights.

It is felt that investigation of the National Knights by the Columbia Division should be continued for the following reasons:

1. The volatile makeup of the National Knights at this time.

2. The apparent irresponsibility of the New Grand Dragon.

3. The apparent efforts the new Grand Dragon will be making at recruiting new members.

4. Columbia Division's lack of informant coverage of the leadership of the new organization.

The Columbia Division would conduct investigation of an NKKKK officer in a policy-making position, a position to direct activities of others, or demonstrates a propensity for violence.

There have been approximately nine meetings of the Ohio Realm of the NKKKK in the Cincinnati Division during the period April 1, 1975, through December 17, 1975, however these meetings consisted primarily of Miller's discussion of the Bible with little time devoted to Klan business per se.

Most of the NKKKK activity under the direction of Miller centered around the Columbus, Ohio area. There is little activity in the Southern Ohio area except that controlled by Meredith/Rush, the Exalted Cyclops of the Loveland, Ohio Klavern. Rush, along with Parky/Scott control a small group or between five to seven members of the NKKKK in the Loveland, Ohio area. This group is relatively inactive with no known meetings being held during the period April 1, 1975, through December 17, 1975.

Enclosure(s)
On Sunday, January 18, 1976, approximately 100 - 150 individuals gathered at Lee Circle, New Orleans, Louisiana, for a wreath laying ceremony to commemorate the birth of General Robert E. Lee. The ceremony was organized and sponsored by the Knights of the Ku Klux Klan (KKKK) (See Appendix). Approximately 50 of those in attendance wore their klan robes. After a short speech by David Duke, the Grand Dragon of the KKKK, the theme of which was "may we live our lives as he lived," the crowd dispersed without incident.

A planned 21-gun salute to honor General Lee did not take place as the KKKK were advised by the New Orleans, Louisiana, Police Department, that any individual discharging a firearm within the city of New Orleans, would be arrested.
APPENDIX

KNIGHTS OF THE KU KLUX KLAN

A confidential source advised that the Knights of the Ku Klux Klan (KKKK) was established in Baton Rouge, Louisiana, in late 1973 by David Ernest Duke, a former leader of several local white hate type groups. The organization's publication, "The Crusader," describes the KKKK as a movement of men who are creating an organization which has the strength to stop the decay and decline of our communities and white Christian culture. It is based on the principles which made the white race and America great and which will lead them to greatness again. The KKKK has established no direct link with any other local or national Klan organization.

At a KKKK reception held for David Duke in January, 1974, he stated there soon would be a large-scale clash between blacks and whites and he urged whites to arm themselves in preparation for this. During a radio appearance at New Orleans, Louisiana, in January, 1974, Duke stated the Klan was getting ready for a violent and bad situation which he believes will arise in this country by getting guns and getting organized. Duke has traveled extensively to participate and speak at demonstrations and rallies of other white extremist groups in the United States.

Two copies of this report are being furnished to Atlanta with one copy of the details set forth in insert form on unnumbered pages for inclusion in Atlanta's annual report.

Two copies of this report are also being furnished Cleveland and Louisville for information due to their interest in this investigation.

Cincinnati currently maintains active investigation only on the National Knights (NK) Grand Dragon (GD) MARVIN MILLER, Cincinnati file 157-5519, and former GD DALE REUSCH, Cincinnati file 157-4520. All other members mentioned herein are subjects of closed cases within the Cincinnati Division.

Current activities of the Ohio Realm of the NK are centered in and around the Columbus, Ohio area, and there has been very little activity of the National Knights of the Ku Klux Klan (NK) in the Cincinnati area, although a Klavern does exist in Loveland, Ohio. Its membership is estimated at between five to seven members, none of which are considered "dues paying members". Furthermore, there have been no reports of meetings of the Loveland Klavern during this investigative period. The membership of the Columbus Klavern is estimated at between 15 to 20 dues paying members. There have been regular meetings of the NK, Columbus Klavern, during this investigative period, although there have been no meetings since 12/13/75. It has been reported that the Columbus Klavern
members are becoming disenchanted with the leadership of MARVIN MILLER, primarily due to the fact that MILLER's Klan meetings consist mostly of his reading excerpts from the Bible with very little time devoted to Klan Business.

Title: NATIONAL KNIGHTS OF THE
        KU KLUX KLAN (NKKKK),
        REALM OF OHIO

Character: EXTREMIST MATTER - KLAN

Synopsis: The NKKKK, Realm of Ohio, has held approximately 15
        meetings between 2/23/75 and 12/13/75. The NKKKK,
        Realm of Ohio, is currently under the leadership of Grand Dragon
        (GD) MARVIN L. MILLER, Columbus, Ohio, who replaced
        DALE REUSCH as GD in 8/75. MEARDITH RUSH, Winchester,
        Ohio, is responsible for the NKKKK activities in the
        Cincinnati and Loveland, Ohio areas. It is estimated
        that the Ohio Realm of the NKKKK, Columbus Klavern, has
        between 15 to 20 dues paying members, while the Loveland
        Klavern reports a membership of between five to seven
        members, none of which are classified as "dues paying
        members". Members of the Ohio Realm have participated
        in approximately four Klan rallies in West Virginia
        (protesting the textbook issue in that state). During
        the period 12/75 to 2/76 there has been a significant
        decline in the activities of the Ohio Realm; there have
        been no reports of meetings being held during this
        period; and it has been reported that members of the
        Ohio Realm are becoming disenchanted with the leadership
        of MARVIN MILLER. There is no official headquarters
        location or meeting site for the Ohio Realm. The NKKKK
        is not chartered in the State of Ohio. The NKKKK has
        no official publication, and its financial situation is
        considered weak.

E. Objectives

No information has been developed to date in the Cincinnati Division relative to stated objectives of the Ohio Realm. II. ACTIVITIES

A. Public Activities

Members of the Ohio Realm of the NKKKK, Columbus Klavern participated in one literature distribution on July 22, 1975, in conjunction with members of the American White Nationalist Party of Ohio (AWNP) (See Appendix). The literature distribution was held in protest of the suspension of two Columbus, Ohio police officers who were charged with civil rights violations. The literature consisted of a flyer requesting citizens to form a defense committee to pay for legal expenses incurred by the Columbus, Ohio police officers in defending themselves against the civil rights charges.

(Source: CI T-1, CI T-2, February 23, 1975 through February 9, 1976)

During the period February 13, 1975, through August 16, 1975, members of the Columbus Klavern, then under the leadership of DALE REUSCH as GD, traveled to West Virginia to participate in approximately eight Klan sponsored rallies protesting the use of various textbooks by the school system in West Virginia.

B. Private Meetings

During the period February 13, 1975, through February 9, 1976, approximately 15 meetings of the Ohio Realm of the NKKKK were held, the majority of which were held at the residence of MARVIN MILLER, 184 Woodrow Avenue, Columbus, Ohio. The meetings consisted primarily of MILLER's reading excerpts from the Bible with only a marginal amount of time being devoted to Klan activities. Summary details of significant meetings and private activities are set forth below.
On April 19, 1975, DALE REUSCH (then the GD of the Ohio Realm) attended the Imperial Board Meeting held at Stone Mountain, Georgia. Eight persons attended this meeting, including JAMES VENABLE, Imperial Wizard of the NKKKK. The main issue discussed was membership recruitment.

(Source: CI T-1 and CI T-6, February 23, 1975 through February 9, 1976)

On July 19, 1975, a meeting of the Ohio Realm of the NKKKK was held at the residence of MARVIN MILLER (then Titan of the Ohio Realm). Those present discussed REUSCH's ouster as GD of the Ohio Realm due to the fact that REUSCH was spending too much time with the activities of the West Virginia Klan and ignoring the activities of the Ohio Realm.

On August 21, 1975, the fact that DALE REUSCH had formed his own Klan organization was announced to the Columbus Klavern of the NKKKK at which time it was decided by the members present that MARVIN MILLER would be selected to replace REUSCH as GD.

On August 30, 1975, MARVIN MILLER attended the annual rally and cross burning held at Stone Mountain, Georgia at which time he was officially appointed to the position of GD of the Ohio Realm of the NKKKK by Imperial Wizard JAMES VENABLE.

On October 4, 1975, a meeting was held of the Ohio Realm at the residence of MARVIN MILLER in Columbus, Ohio. At this meeting the officers of the Ohio Realm were selected as set forth previously.

APPENDIX

AMERICAN WHITE NATIONALIST PARTY (AWNP)

In 1971, the AWNP, a neo-Nazi, anti-Negro, anti-Semitic organization, was founded by Russell Ray Veh of Toledo, Ohio. Following an arrest in that city for causing a disturbance on public school property and a period of incarceration for mail fraud, Veh's control of the AWNP was taken over by John W. Gerhardt, II, and his brother, Edward Paul Gerhardt, of Columbus, Ohio. The AWNP has no headquarters space and uses P. O. Box 14083, Columbus, Ohio, 43214, for all correspondence. The AWNP publishes on an irregular basis a newsletter called, "White Power", and as of March, 1973, has renamed the newsletter, "The White Nationalist." A source has described John W. Gerhardt, II, as the self-proclaimed national leader of the AWNP, and that Gerhardt is more interested in alliances with other white supremacy organizations for access to their mailing lists and memberships from which he can solicit financial assistance, than in building or sharing leadership of the AWNP.
The National Knights of the Ku Klux Klan, Incorporated, (NKKKK), a consolidation of various klan groups, was granted a charter in De Kalb County, Georgia, in November, 1963. The NKKKK was chartered as a patriotic, secret, social, and benevolent order; however, in December, 1963, the NKKKK issued a statement of its program which indicated the organization to be anti-Negro, anti-Jewish, anti-Catholic, and anti-foreign born. The NKKKK and its affiliate groups purportedly promote white Christian Americanism and combat communism. An annual NKKKK rally and cross burning has been held on Labor Day Weekend in Stone Mountain, Georgia, on the property of NKKKK Imperial Wizard James R. Venable.

Some klan members and leaders have been involved in atrocities including beatings, bombings, and murders, and have engaged in activities seeking to deny others their constitutional rights.

After thoroughly reviewing the captioned cases with the context of the referenced Bureau Ariel and the current instructions to concentrate investigative efforts on quality matters in mind, Philadelphia has reached the conclusion that continued active investigation of these cases is unwarranted.

The basis for this conclusion is the continued lack of participation in activities falling within the Bureau's Jurisdictional and investigative responsibilities on the part of Philadelphia Division, Klan Units.

As the Bureau is aware, the makeup of the Klan in the Philadelphia Division is as follows:

NKKKK - 15 active members

UKA, Inc.

A. York Klavern - seven active members
B. Reading Klavern - 15 inactive members

Based on informant information the UKA, Inc, and the NKKKK have no national or official state headquarters in the Philadelphia Division. Likewise there are no national officers of the Klan in this territory. Activities of the above Klan Units other than regular business meetings, have consisted of the most part of number of "Night Rides". These "Night Rides" have been orderly and non-violent with prior notification to local police by the Klan.

The Klan in this area has published on an irregular basis various newsletters. These, for the most part, have consisted of copies of commercial newspaper articles pertaining to the Klan and advertisements to Klan Members of various services and products offered by the Klan.

Philadelphia has noted that Klan membership in this area has remained fairly constant, as regards active members.

In view of the above, no further active investigation regarding the NKKKK is being conducted by the Cleveland Division, UACB. It is noted that this communication pertains only to the NKKKK Realm of Ohio under the leadership of MARVIN MILLER and not to the NKKKK Cleveland Chapter, Kleveland Klan (CVfile 157-6532) under the leadership of ROBERT LLOYD OLDAG.

Re: Airtel to Atlanta and other offices dated 2/5/76, and Philadelphia letter to Director dated 1/30/76.

Referenced Philadelphia letter stated in part that after reviewing captioned cases Philadelphia has reached the conclusion that continued active investigation of these Klan organizations is unwarranted. The basis for this conclusion is the "lack of participation in activities falling within the Bureau's jurisdictional and investigative responsibilities. . . ."

Philadelphia further advised that no inserts reflecting the activities of these groups for the preceding year would be submitted to appropriate offices of origin.

In line with the above, the Bureau notes that this is in contrast to prior Philadelphia recommendations submitted by letter dated 10/31/75, in response to Bureau survey regarding the need for continued investigation of Klan organizations. In this letter Philadelphia stated "... pending files should be maintained on the Klan organizations so that the groups' activities can be followed through sources, both public and confidential."

As Philadelphia is aware, the Bureau is conducting a study of Klan organizations nationwide in order to determine on an individual basis, whether each Klan group warrants continued investigative attention under current Bureau guidelines.

For the information of your office, a letter was sent to the Attorney General on 2/17/76, specifically setting forth Bureau policy regarding Klan matters and the fact that this policy would be continued. The Attorney General was also advised that an in-depth analysis of Klan organizations was under way at FBIHQ and that he would be advised of the results.

The Bureau appreciates Philadelphia's analysis of Klan investigations as set forth in referenced letter. The Bureau feels, though, that the closing of captioned Klan organizations is premature at this time.

In order for Bureau analysis of Klan matters to have meaning, it is necessary to have detailed activities of each operational Klan group at its disposal. Philadelphia is, therefore, instructed to promptly submit individual investigative inserts concerning UKA and NKKKK activities during the past year. These should be submitted to the Bureau as well as Birmingham and Atlanta respectively.

These inserts should consist of all significant data appropriately documented, to include the number and locations of all Klan "night-rides" and the facts surrounding the printing of Klan "newsletters."

In addition, Philadelphia is to comment on appropriate administrative pages concerning the following items:

- Date and caption of communications which advised the Bureau of Klan "night-rides."

- The identity of klansmen involved in these "night-rides" to include whether harassment and/or intimidation was the goal of these activities.

Philadelphia should advise what is meant on page 3 of referenced letter wherein it is stated that "normal informant" and police contacts would be sufficient to advise of possible planned Klan violence. In line with this, does Philadelphia intend to maintain active paid informants covering organizations it intends to close. If this is the case, comments regarding the justification of this practice are solicited.

Copies of all Klan "newsletters" printed within Philadelphia's territory during the past year, should be obtained and forwarded to the Bureau and appropriate offices of origin for review.

It is noted that Philadelphia maintains two files on the UKA. These are identified by Philadelphia file numbers 157-341 and 157-1646. In this regard, Philadelphia should maintain only one pending case on the UKA organization with appropriate communications designated for Bureau file 157-370-37.

Captioned Klan organizations should remain in a pending status. Upon completion of Bureau analysis and review of Klan investigations, Philadelphia will be appropriately advised.

NOTE:

Referenced letter closed the investigations of Klan organizations in the Philadelphia Division for the reasons shown above. By letter to the Attorney General on 2/17/76, the Bureau reiterated its policy regarding Klan investigations and stated that a study had been recently initiated at FBI Headquarters with the purpose of analyzing the activity of each Klan organization during the period spanning the past three years. The Attorney General was advised that upon completion of this study, he would be apprised of the results. It is important that each field office submit the current activities of Klan groups operating within their divisions so that a total picture of Klan activity can be analyzed. As is noted above, the Philadelphia Office has submitted two recommendations in the past three months regarding Klan investigations. The first recommendation suggested that we keep Klan matters pending; the second recommendation advised that these matters were being closed. Without factual material at our disposal, it is impossible for the Bureau to get a true picture of UKA activities as they relate to the Philadelphia Division. This would be accomplished if Philadelphia submitted its inserts as is the normal procedure in these matters.

National Headquarters of the National Knights of the Ku Klux Klan, Inc. (NKKKK) located at Stone Mountain, Georgia. JAMES R. VENABLE, continues to be Imperial Wizard of the organization. Groups in the South Carolina, North Carolina, Maryland, Ohio, and West Virginia, withdrew from NKKKK in August and established a new Klan organization under leadership of DALE REUSCH of Ohio. Officers, memberships, and activities set forth by state.

I. ORGANIZATIONAL STRUCTURE

A. HEADQUARTERS

Headquarters for the National Knights of the Ku Klux Klan (NKKKK) (See Appendix) is located on the property of Imperial Wizard JAMES R. VENABLE. The headquarters building, known as the Imperial Palace, is located at 900 VFW Drive, Stone Mountain, Georgia. This is where VENABLE's own Klavern meets weekly and where NKKKK social gatherings and national meetings were held.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is losened to an agency. It and its contents are not to be distributed outside your agency.
B. Charter Information

At a meeting of the NKKKK held in Tucker, Georgia, on September 6, 1964, Imperial Wizard, JAMES R. VENABLE, announced that he had incorporated the NKKKK, and that it was being operated as a separate klan.

AT-T2, 9/16/64.

The NKKKK was granted a charter in DeKalb County, Georgia on November 1, 1963, under the name of the National Knights of the Ku Klux Klan, Inc.

There has been no change in the charter status of the NKKKK.

AT T-3, 3/1/76.

C. Objectives

The NKKKK was chartered as a patriotic, secret, social, and benevolent order. In December, 1963, the NKKKK issued a statement of its program which indicated the organization to be anti-Negro and anti-Jewish.

AT T-1, 3/1/76.

At the December 15, 1974, Imperial Board meeting held at the Imperial Palace, Stone Mountain, Georgia, it was decided at the insistence of then Ohio NKKKK Grand Dragon, DALE REUSCH, to admit Catholics and immigrants to the organization, both groups being previously barred from membership. Imperial Wizard JAMES R. VENABLE, was cool to the idea, but nonetheless, went along with it to broaden the base of the Klan.

AT T-3, 12/16/74.
Imperial Wizard VENABLE still does not advocate any form of violence in the settlement of racial disputes and will immediately expel from the organization any individual who he considers to be a troublemaker.

D. National Officers

JAMES R. VENABLE continues to be the Imperial Wizard and only national officer of the klan. PETE LUMPKIN, Imperial Emperor, continues to be VENABLE's right-hand man and in effect runs the organization for VENABLE who is not in the best of health.

E. Annual Rally

The NKKKKK held its annual rally at Stone Mountain, Georgia, on August 30, 1975. Approximately 250 People attended this year's rally. A total of seven klansmen spoke at the rally. All denounced school busing and foreign aid.

This year's rally was noteworthy in that members of a bi-racial study group called the Pan American Association from Syracuse, New York, and the Afro-American News Service from Baltimore, Maryland, came into the rally site. The group which included two Negroes, was immediately set upon by angry klansmen. A near riot ensued. VENABLE, who remained on the speaker's platform pleaded with the crowd to remain calm.

When order finally was restored the group was escorted from the rally site and left the area. The only reported injury was to the leader of the group, Dr. ROBERT PRITCHARD. PRITCHARD was pushed to the ground and jostled. He was taken to the local hospital, where he remained overnight for observation.
F. Publications and Propaganda

In April, 1975, the second issued of "The Klansman", self-described as the official publication of the NKKKK, was published. This issue contained a series of articles written by Imperial Wizard, JAMES R. VENABLE, and several NKKKK Grand Dragons. The articles dealt with the Federal Reserve System, the United Nations, and the Council on Foreign Relations.

Since that time, no other issues of "The Klansmen" have been published.

G. Finances

The NKKKK has no bank account or treasury. VENABLE provides funds out of his own pocket to finance his organization and loses money annually as a result.

H.

Defection of five Grand Dragons from NKKKK and subsequent formation of the Knights of the Ku Klux Klan at Charleston, West Virginia, August 16, 1975.

On August 16, 1975, DALE REUSCH, NKKKK Grand Dragon from Lodi, Ohio, finally tired of waiting for JAMES VENABLE to step aside and hand him control of the NKKKK, formed a new Klan which he named Knights of the Ku Klux Klan. REUSCH formed this group in Charleston, West Virginia, where he had thrust himself in the school textbook controversy. He claimed at first to have the support of 21 NKKKK Grand Dragons when in fact he had only the support of four, these being the Grand Dragons from West Virginia, North Carolina, South Carolina, and Missouri.
VENABLE promptly banished all five of the renegades, accusing them of "conspiring against me" and taking in members "who are not morally fit". He has appointed new Grand Dragons for each of the states that left the organization, but klan membership in the states is now divided between the new organization, with both organizations competing for members.

AT T1, 3/1/76.

I. Activity by State

Georgia

There is only one Klavern of the National Knights of the Ku Klux Klan located in the State of Georgia, this being the Stone Mountain Klavern located in Stone Mountain. There are between eight and ten active members of this group. There is, however, much internal squabbling and dissention among the membership and VENABLE the Imperial Emperor PETE LUMPKIN.

ACTIVITIES OF NATIONAL KNIGHTS OF THE KU KLUX KLAN IN ALABAMA

Summary

George Killian  Member of Subject Organization

On May 19, 1975, the Fort Payne, Alabama and Chattanooga, Tennessee Klaverns of the United Klans of America, Inc., Knights of the Ku Klux Klan (UKA) decided on May 16, 1975, under the leadership of GEORGE D. KILLIAN, Exalted Cyclops of Fort Payne Klavern and JERALD R. SMITH, leader of Chattanooga Klavern, to withdraw from the UKA and become affiliated with the National Knights of the Ku Klux Klan, Inc., KKKK, a consolidation of various Klan groups, which was issued a charter in Dekalb County, Georgia, in November, 1963, and is anti-Negro, anti-Jewish, and anti-foreign born.

The split in the UKA was centered around GEORGE KILLIAN, Exalted Cyclops of the UKA, Fort Payne, Alabama Klavern, as KILLIAN had an intense desire to become Grand Dragon of Alabama in place of the then current Grand Dragon JOHN ADAMS. For the past several months, KILLIAN had been attempting to persuade ROBERT SHELTON, Imperial Wizard of the UKA, to replace Grand Dragon JOHN ADAMS with KILLIAN as there was a personality clash between ADAMS and KILLIAN. Also, KILLIAN desired more personal power within the UKA. SHELTON continued to support ADAMS.

KILLIAN contacted JAMES VENABLE, Imperial Wizard of the NKKKK and apparently felt that he could be appointed Alabama Grand Dragon of the UKA. On June 16, 1975, he was designated by VENABLE to this position.

KILLIAN was able to influence the Fort Payne Klavern, the Cullman Klavern and a recently organized small group at Hazel Green, Alabama, to leave the UKA and join the NKKKK. The UKA Klavern at Chattanooga, Tennessee, was formed principally through KILLIAN's efforts as the towns are in close proximity. As a result, KILLIAN had a great deal of influence over this Klavern and was able to bring it into the NKKKK from the UKA.

MARYLAND KNIGHTS OF THE KU KLUX KLAN

The Maryland Knights of the Ku Klux Klan was formed in early 1970 as a result of a leadership dispute, which culminated in the resignation of ANTHONY LA RICCI, Imperial Representative of the United Klans of America, Incorporated (UKA) of Maryland. The UKA was chartered in Georgia in 1961. It is under the leadership of Imperial Wizard ROBERT SHELTON, and is the dominant Klan group in the United States, with headquarters at Tuscaloosa, Alabama. In April, 1970, the Maryland Knights affiliated, in name only, with the National Knights of the Ku Klux Klan, Incorporated. The National Knights of the Ku Klux Klan was chartered in Georgia in 1963, and is under the leadership of Imperial Wizard JAMES VENABLE, with headquarters at Tucker, Georgia. As of May, 1975, the Maryland Knights continued as an active organization. The objectives of the Maryland Knights include the preservation of white supremacy and, as stated by the Imperial Wizard of the National Knights, the education of the public to communist and subversive elements, such as International Zionism. The aims and purposes of the Maryland Knights are the opposition to forced school bussing and a desire to build a state-wide membership which would be a political factor in the State of Maryland.
I. ORGANIZATIONAL STRUCTURE

A. Headquarters

The Independent Klans of Maryland have no formal headquarters. Post Office Box 7887, Baltimore, Maryland, is used for mailing purposes.

(BA T-1 on December 18, 1975)

B. Charter Information

There is no record that the Independent Klans of Maryland, also known as the Maryland Knights of the Ku Klux Klan is incorporated in the State of Maryland.

(Department of Assessments and Taxation, State Office Building, Baltimore, Maryland, on January 22, 1976)

JAMES R. VENABLE, Imperial Wizard of the National Knights of the Ku Klux Klan (NKKKK), has issued charters to groups seeking them, but these groups which have obtained charters do not pay dues to the NKKKK nor do they receive literature or directions from the National Knights. In essence, they function as independent organizations with no control by JAMES R. VENABLE. One of these independent organizations is the Maryland Knights of the Ku Klux Klan which operated with a charter issued from the NKKKK.

(BA T-5 on June 25, 1975)

TONY LA RICCI held a third dinner-dance at the Elks Club Hall in Essex, Maryland, on October 18, 1975, under the sponsorship of the United Sportsman Club. There were about 100 present. Tickets were $8.50 each. There was nothing displayed which would indicate that it was a klan affair.

(BA T-4 on November 4, 1975)

(BA T-6 on October 21, 1975)
TONY LA RICCI attended the Imperial Board meeting of the NKKKK held at Stone Mountain, Georgia, on April 19-20, 1975.

(BA T-7 on April 30, 1975)

Between April and October, 1975, TONY LA RICCI held monthly rallies on the farm property of IRA BARNES, Gamber, Maryland. JAMES VENABLE, Imperial Wizard, NKKKK, did not appear at any of these rallies. Member of Subject Organization

(BA T-9 on various dates April 28 - October 28, 1975)

The Maryland Knights of the Ku Klux Klan held a rally at Gamber, Maryland, on April 26, 1975. There were about 125-150 present including 40-50 in klan robes. JAMES VENABLE, Imperial Wizard of the National Knights, who was advertised as a guest speaker, did not show up. DALE REUSCH, Grand Dragon, NKKKK, Lodi, Ohio, was one of the speakers. (BA T-8 on April 28, 1975)

(BA T-9 on April 28, 1975)

(BA T-10 on April 28, 1975)

(BA T-1 on April 30, 1975)

The Maryland Knights held a rally on May 24-25, 1975, at Gamber, Maryland. There were about 40 people on the 25th. TONY LA RICCI explained to those present that his group of klansmen were not to be confused with the "splinter groups" of klansmen in the State of Maryland and that the Maryland organization was part of a national organization which was the largest or next to the largest in the United States.

(BA T-1 on June 2, 1975)
Grand Dragon LA RICCI from Maryland was present at an anti-bussing and anti-school textbook rally sponsored by the NKKKK at Charleston, West Virginia on August 16, 1975. LA RICCI reportedly did not attend a meeting subsequent to the rally at which those present criticized the leadership of JAMES VENABLE, Imperial Wizard and ROBERT SHELTON, Imperial Wizard of the United Klans of America, Incorporated (UKA) and elected DALE REUSCH to be Imperial Wizard of a new klan organization to be known as the Knights of the Ku Klux Klan.

Tony LA RICCI held a final rally for 1975 at Gamber, Maryland, on October 25, 1975. There were about 75-100 present including 25-30 in klan robes and about 10 in security uniforms. LA RICCI said he had been associated with the National Knights of Stone Mountain, Georgia, and that JAMES VENABLE was the Imperial Wizard. LA RICCI stated that VENABLE had been invited to speak at rallies in Maryland but had never done so. He said VENABLE had turned over records to the FBI and that when VENABLE had ordered him to do the same, he had refused. LA RICCI stated that according to the press, he had been banished but that he had never received any official notice from VENABLE's headquarters in Georgia. LA RICCI told those present he had replaced VENABLE as head of the Maryland klans and would now operate under the name Independent Klans of Maryland.

The Washington Post newspaper dated October 12, 1975, carried an article concerning the National Knights and the Maryland Knights which is set out below:

AMERICAN WHITE NATIONALIST PARTY (AWNP)

In 1971, the AWNP, a neo-Nazi, anti-Negro, anti-Semitic organization, was founded by Russell Ray Veh of Toledo, Ohio. Following an arrest in that city for causing a disturbance on public school property and a period of incarceration for mail fraud, Veh's control of the AWNP was taken over by John W. Gerhardt, II, and his brother, Edward Paul Gerhardt, of Columbus, Ohio. The AWNP has no headquarters space and uses P. O. Box 14063, Columbus, Ohio, 43214, for all correspondence. The AWNP publishes on an irregular basis a newsletter called, "White Power", and as of March, 1973, has renamed the newsletter, "The White Nationalist." A source has described John W. Gerhardt, II, as the self-proclaimed national leader of the AWNP, and that Gerhardt is more interested in alliances with other white supremacy organizations for access to their mailing lists and memberships from which he can solicit financial assistance, than in building or sharing leadership of the AWNP.

NATIONAL KNIGHTS OF THE KU KLUX KLAN (NKKKK)

The National Knights of the Ku Klux Klan, Incorporated, (NKKKK), a consolidation of various klan groups, was granted a charter in De Kalb County, Georgia, in November, 1963. The NKKKK was chartered as a patriotic, secret, social, and benevolent order; however, in December, 1963, the NKKKK issued a statement of its program which indicated the organization to be anti-Negro, anti-Jewish, anti-Catholic, and anti-foreign born. The NKKKK and its affiliate groups purportedly promote white Christian Americanism and combat communism. An annual NKKKK rally and cross burning has been held on Labor Day Weekend in Stone Mountain, Georgia, on the property of NKKKK Imperial Wizard James R. Venable.

Some klan members and leaders have been involved in atrocities including beatings, bombings, and murders, and have engaged in activities seeking to deny others their constitutional rights.

Purpose

Purpose is to advise of FBIHQ position that the reporting of Ku Klux Klan "night rides" is within Bureau responsibility and jurisdiction, and is not a "suppression of the rights of each individual as to his freedom of movement..." as asserted by the Philadelphia Division. Recommendation follows to submit an airtel to the personal attention of the SAC, Philadelphia, advising him that the Philadelphia Office should report details surrounding any "night rides" which may occur in the future.

Synopsis

On 1/30/76, Philadelphia Office advised it was closing investigations of two Klan groups and that Klan activity consisted of nothing more than business meetings and "night rides." No information located in appropriate Bureau files regarding "night rides." By Bureau airtel 2/23/76, Philadelphia was instructed, among other things, to advise of details surrounding these "night rides" as well as identifying those Klansmen involved. By airtel 3/8/76, Philadelphia supplied information regarding "night rides" but stated it would not report this activity in the future. Philadelphia claimed that reporting the names of individuals participating in "night rides" could be considered a "suppression of the rights of each individual as to his freedom of movement by the Federal Government." FBIHQ does not concur with this position as it is felt such "night rides" (described as robed Klansmen riding through the streets at night with fires, crosses, burning) are intimidating and could result in violence.

Current Bureau Policy

Current policy authorizes investigation of Klan organizations based on possible violation of Federal civil rights statutes.
Memorandum to Mr. T. W. Leavitt
Re: National Knights of the Ku Klux Klan (NKKKK)
EM

Individual Klansmen are the subjects of investigation if they are identified as leaders in policy making positions, or who are able to direct the activities of other members, or members who have demonstrated a propensity for violence. Field Offices have the responsibility to report to the Bureau pertinent information relating to the above so that this might be disseminated to the Department of Justice and other interested Federal Agencies.

RECOMMENDATION:

It is recommended that attached airtel be approved and sent to the SAC, Philadelphia, instructing that details surrounding future "night rides" be appropriately furnished to FBIHQ.

By letter dated 1/30/76, the Philadelphia Division closed its investigation of the United Klans of America, Inc., (UKA) and the National Knights of the Ku Klux Klan (NKKKK). Both of these groups have National Headquarters in states other than Philadelphia. The Philadelphia Office covers state-wide activity of the UKA and NKKKK as it applies to their Division.

Above investigations were closed based on Philadelphia's claim that activity on the part of these groups fails to fall within the Bureau's jurisdictional and investigative responsibilities. It was reported that other than regular business meetings, activities for these groups consist for the most part of a number of "night rides." Review of pertinent Bureau files failed to reveal any information relating to these "night rides."
Memorandum to Mr. T. W. Leavitt
Re: National Knights of the Ku Klux Klan (NKKKK)

EM

On 2/23/76, an airtel was sent by the Bureau to Philadelphia instructing, among other things, that Philadelphia submit to the Bureau details surrounding the number and locations of Klan "night rides," the identity of Klansmen involved, and whether harassment or intimidation was the purpose of these rides. Philadelphia was also instructed to keep their cases on both Klan groups in a pending status for the present time. This was based on the fact that a study was recently instituted by the Bureau concerning Klan organizations nationwide in order to determine, on an individual basis, whether each Klan group warrants continued investigative attention. Investigative inserts containing the activity of each Klan group in Philadelphia was necessary in order that the appropriate Offices of Origin might include these in their annual reports. This information would be the basis of Bureau analysis of the activity of each Klan organization as well as the analysis of each individual Klan subsection.

By airtel dated 3/8/76, Philadelphia submitted investigative inserts which outlined Klan activity including above "night rides." One of these "night rides" was described in a Klan publication as follows:

"Three pickup trucks loaded with robed Klansmen rode through Bucks County for four hours without one incident of trouble. The trucks were decorated with slogans, flags, and a fiery cross."

Philadelphia asserts that these "night rides" did not constitute harassment or intimidation and did not feel it was necessary to report such information to the Bureau. It was stated by Philadelphia that they would not forward to FBIHQ the dates and identities of future "night rides." Philadelphia maintains that supplying FBIHQ with the identities of those individuals participating in these "night rides" could be

considered a "suppression of the rights of each individual as to his freedom of movement by the Federal Government."

We do not concur with this position as the sight of robed Klansmen riding at night through the streets with fiery crosses burning, certainly could be construed as intimidating and could result in the onset of violence. It would also be beneficial to obtain the identities of those involved in this type activity so that if violence did occur during any of these "rides" the identities of possible subjects could be obtained rapidly.
